1. I, Terry Magnuson, am joint inventor of the subject matter embodied in the above-identified patent application.
  2. I am listed as a co-author on the publication by James W. Thomas, Christian LaMantia, and Terry Magnuson, "X-ray-induced mutations in mouse embryonic stem cells," Proc. Natl. Acad. Sci. USA 95:1114-1119 (1998).
  3. I confirm that I and James W. Thomas are the only listed authors involved in the conception of the subject matter claimed in the above-identified patent application and disclosed in the reference listed in paragraph 2.

**PATENT**  
Attorney Docket No. CASE-03330

4. I further confirm that Christian LaMantia merely worked under my and James W. Thomas' supervision and direction. Christian LaMantia was listed as co-authors in order to acknowledge his efforts in reducing the claimed invention to practice under my and James W. Thomas' direction.

5. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under § 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing therefrom.
